## Enjoy Yourself It Is Later Than You Think

I have told many times the story of a certain letter, which I received years ago, because the impression it made on me was very deep; and I have never told it, on ships in distant seas or by quiet firenides nearer home, without a reflective, thoughtful response from tive, thoughtful response from I think, too.

You won't even remembe me. Two years ago I was in your hospital under the care of another doctor. I lost my baby the day It was born.

That same day my docto came in to see me, and as h left he said, "Oh, by the way there is a doctor here with the same name as yours who noticed your name on the board, and asked me about you. He said he would like to come in to see you, because you might be a relative. I told him you had lost your baby and I didn't think you would want to see anybody, but it was all right with me."

就在那大、大天樂有我,當他學 定時,對我說,「應,順便告訴你 一擊,這醫院中有一位大夫和你同 姓,他看見記錄牌上你的姓名,會 間到你。他說他很願意來我告訴你 人為。也許你是他的親戚。我告訴你 你失掉了你的孩子並且我想你也將 你失掉了你的孩子並且我想你也 你失掉了像人,不過那也沒有什麼 題樣。

And then in a little while you came in. You put your hand on my arm and sat down for a moment beside my bed. You didn't say much of anything but your eyes and your voice were kind and pretty soon I felt better. As you sat there I noticed that you looked tired and that the lines in your face were very deep. I never saw you again but the nurses told me you were in the hospital ... practically night and day.
